RE: SB1293 Mandatory ELT

Dear Service Providers and Financial Institutions,

The Arizona State Legislature passed Senate Bill 1293 which becomes effective May 31, 2010 requiring liens to be released electronically with the exception of Mobile Homes. The Arizona Department of Transportation, Motor Vehicle Division (MVD), is in the process of implementing this legislation mandating Electronic Lien and Title. Paper titles will only be printed after the lien has been released electronically. The link to the bill is <http://www.azleg.gov/legtext/49leg/1r/bills/sb1293s.pdf>.

All lenders conducting business will be required to transmit lien information through an approved Service Provider. MVD advises all lenders to contract with an approved Service Provider prior to May 31st. Currently there are three approved Service Providers: FDI Collateral Management, PDP Group Inc. and VINtek Inc. Joining the approved Service Providers in the near future will be Decision Dynamics Inc. Below is the contact information for the Service Providers.

FDI Collateral Management

9750 Goethe Road
Sacramento, CA 95827
